WHAT WE DO:

- IN PALAU, PMA WAS INVITED BY THE GOVERNMENT TO PROVIDE AERIAL TRANSPORTATION FROM THE OUTER ISLANDS TO THE MAINLAND. THESE FLIGHTS GENERALLY OCCUR TWICE A WEEK AT THE MINIMUM, BUT CAN INCREASE DEPENDING ON DEMAND OR BAD WEATHER.
- TO HELP SUBSIDIZE THE COST FOR THE LOCALS, AS WELL AS GENERATE REVENUE FOR PMA MISSION WORK, PMA BEGAN FLYING AERIAL SCENIC FLIGHTS FOR TOURISTS OVER THE BEAUTIFUL ROCK ISLANDS. THESE FLIGHTS CONSTITUTE ABOUT 80% OF THE FLIGHTS WE DO IN PALAU.

- PMA HAS AN MOU WITH THE GOVERNMENT OF PALAU TO PROVIDE FREE MEDICAL EVACUATIONS AND SEA SEARCHES FOR THE COST OF FUEL.
- OUR AIRCRAFT ARE USED AS A TOOL TO SUPPORT GOSPEL OUTREACH MINISTRIES IN THE OUTER ISLANDS
- PMA ALSO HAS AN MOU WITH THE GOVERNMENT TO PROVIDE THE PLATFORM FOR AERIAL SURVEILLANCE OF THE MARINE SANCTUARY SURROUNDING PALAU. THE BORDER IS OVER 300 MILES OFFSHORE AND OUR MISSION IS TO SEARCH WITH THE NATIONAL PATROL BOAT TO FIND ILLEGAL VESSELS FISHING IN THE RESTRICTED ZONE. THESE FLIGHTS ARE 6-8 HOURS EACH SORTIE AND HAVE BEEN SUCCESSFUL IN SPOTTING ILLEGAL VESSELS AS WELL AS PROVIDING A WAY FOR PMA TO GET MULTI ENGINE TIME FOR ITS YOUNGER PILOTS.
